

Radiant Light Spiritual Direction

## The Spark - February/March 2023

---

Dear friends,

With each new year, I ponder what types of programs to offer. To start, I would like to share a recording of talk given by Rev. Carol Parrish. Rev. Carol was the founder of the [Sancta Sophia Seminary](#), where I was ordained an Esoteric Christian Minister and earned my Master's in Divinity.

In 2010, I invited Carol to Sacramento. She gave a talk called "Christianity as a Transformational Process." We recorded her talk, and the recording is about 90 minutes. For February and March, we will listen to the recording in two parts, about 45 minutes each. I know you will find her perspective refreshing!

Peace and Blessings,

## Christianity as a Transformational Process

**Wednesday, February 8th at 6:30 pm**

**Wednesday, March 8th at 6:30 pm**

I will share the audio recording of the 2010 talk given by [Rev. Carol Parrish, PhD](#) when she visited Sacramento. We will listen to 45 minutes of the 90-minute presentation over the two sessions in February and March. Are you seeking a deeper, understanding of Christianity?

*Excerpt from Carol's talk:*

"What do we mean when we say we are a Christian? In today's society, it means, sometimes, a particular denomination or a particular approach. I want you to know from the esoteric point of

view, that is not really what it means. It means that we want the Christ Presence with us to evolve and lead the way."

After listening to audio, we will discuss how we were touched and what we each found of meaning. I will end with a brief meditation.

Meeting will be on-line via Zoom. Please RSVP to receive the Zoom link.

A \$5 offering is welcome, but not required. Payment can be made by check of Zelle.

## Ponder This

May today there be peace within. May you trust God that you are exactly where you are meant to be. May you not forget the infinite possibilities that are born of faith. May you use those gifts that you have received, and pass on the love that has been given to you. May you be content knowing you are a child of God. Let this presence settle into your bones, and allow your soul the freedom to sing, dance, praise and love. It is there for each and every one of us.

St. Teresa of Avila

## What is Spiritual Direction?

As a Spiritual Director, I honor each person's unique journey. Spiritual direction is an opportunity to explore your unique inner quest, and tend to the sacred in your life and to how you are being prompted to express that in daily life. I provide a contemplative listening presence, reflect, and invite questions to deepen your awareness of the sacred.

During an initial 50-minute Zoom meeting we will explore your interests and needs to determine if spiritual direction will be of value to you. Our first meeting is always free of charge.

I am a member of [\*Spiritual Directors International\*](#). Browse their website to learn more.
